ABOUT ME

As a skilled backend developer with 3 year of experience, I am passionate about creating dynamic and user-friendly web applications. Proficient in Php, Laravel, Ajax, ThreeJs MySQL as well as Frontend technologies like Html, Css, Bootstrap and JavaScript. I have a proven track record of delivering high-quality projects on time and within budget. My expertise includes designing and implementing complex user interfaces, optimizing web performance, and collaborating effectively with cross-functional teams. I am dedicated to staying up-to-date with the latest web development trends and technologies. Seeking opportunities to contribute my technical skills and creativity to innovative projects that push the boundaries of web development.
